Calgary man charged with child pornography offences

Calgary... On March 16, as a result of a joint international investigation, members of the Southern Alberta Integrated Child Exploitation (ICE) Unit executed a search warrant on a Calgary residence. Found within the residence were thousands of images and videos of child pornography. Computer equipment including numerous external hard drives was seized.

Charged with possessing, accessing, and making available child pornography was Jonathan PLECAN, 65, of Calgary.

The investigation is ongoing and no further details will be released at this time.

ICE investigates the sexual exploitation of children through the Internet and works to reduce harm through public education and prevention programs.

ALERT is an umbrella organization established by the Government of Alberta to bring together the province's most sophisticated law enforcement resources to tackle serious and organized crime. Close to 400 municipal police, RCMP and sheriffs work for ALERT.
